be called upon to meet more than

\$6,000,000,000 of maturing obliga-

tions in the 16 months immediate

ly before us, it is not possible to

recommend the issue of several

hundred millions of additional

short-time notes. Further exces-

sive borrowings would likely undo

all that has been accomplished in

readjusting interest rates and

stabilizing the financial world,

both vitally essential to the re-

sumption of industrial and com-

Granting that it is not fair to

oppose any proposed plan without

offering a substitute, let me re-

peat that I believe the American

general sales tax to meet the pro-

posed bonus payments, and we

should contribute thereby no add-

ed difficulties to the problems of

readjustment. If Congress will

not adopt such a plan, it would be

until there is a situation which

will justify the large outlay. We

are pushing the disposition of sur-

plus war property and have other

transactions under consideration

which ought to prove a great re-

lief to the Federal Treasury. It

is not consistent to enact legisla-

tion in anticipation of these

things, but it would be a prudent

plan to await the developments

and I can see in such a postpone

ment no lack of regard for the

service men, in whom all the

American people are so genuinely

Taking Care Of The Disabled.

themselves are no less concerned

than others about the restoration

of business and the return to

abundant employment. Those of

their wounded or sick comrades

tion can bestow. There are here

and there exceptional cases of

neglect, and attending complaint,

but we are seeking them out and

correcting with all possible speed.

It has not been possible to meet

all the demands for special hos

pitalization, but we are building

to that end, without counting the

cost. We are expending \$400,000,-

000 a year in compensation, hos-

pitalization and rehabilitation.

These things are recited to reas-

sure you that such delay as will

for the common good will have no

I take it that the ex-service men

interested.

mercial activities.

Inasmuch as the Treasury is to

President's letter regarding sol-

diers' bonus, which was addressed

to Chairman Fordney of the

House Ways and Means Commit-

In accordance with the promise

made to yourself and your asso-

ciates on the Senate and House

committees charged with the re-

sponsibility of formulating pro-

posed bonus legislation, I have

carefully looked into the program

of taxation which has been sug-

gested. In addition thereto I

have made inquiry into the feasi-

bility of issuing either short-

time Treasury notes or long-time

bonds to meet the financial obliga-

tions which the proposed legisla-

tion will impose. It is not possible

to commend to you either of the

General Sales Tax Is Best Plan.

It continues to be my best judg-

ment that any compensation leg-

islation enacted at this time ought

to carry with it the provisions for

raising the needed revenues, and I

find myself unable to suggest any

commendable plan other than that

of a general sales tax. Such a tax

will distribute the cost of reward-

ing the ex-service men in such

manner that it will be borne by

all the people whom they served

and does not commit the Govern-

ment to class imposition of taxes

or the resumption of the burdens

recently repealed, the mainte-

nance of which can be justified

It is fully realized how great is

the difficulty which conformts the

Congress in solving this difficult

sentiment in Congress in favor of

this adjusted compensation. I have

spoken approvingly myself, always

with the reservation that the be-

stowal shall be made when it may

be done without such injury to the

country as will nullify the benefits

to the ex-service men themselves

which this expression of gratitude

suggest that action be postponed

again, but, frankly, I do not find

myself favorable to the piecemeal

payment plan which is manifestly

designed to avoid embarrassment to

the Treasury. The long drawn-out

payments will not afford an effect

ive helpfulness to the service men

beginning the allotments of public

lands and the immediate issue of

paid-up insurance. The real diffi-

culty lies in the payment of the

cash bonus. Rather than provide
